### BRAZIL PROJECT

The Parish Pastoral Council has decided to support a Gorta Project in Brazil. We believe that as a Christian Parish that we should help financially, a Project that provides support for the poor and needy in underdeveloped parts of our World.

### BUILDING HOPE

The Diocesan Building Hope Task Force carried out a Consultation Process in 2021 for Pastoral Renewal within and among parishes.

This is the framework that gives us focus for discussion and discernment around Pastoral renewal which all parishes are invited to participate.

The four areas that we need to discuss are Faith, Servant Leadership, Social Justice, Welcome.

We have set up a Parish Building Hope Group who will plan, organise and facilitate our very important gathering which will take place

#### **in St Anthony's House on Tuesday 31<sup>st</sup> May at 7.30pm**

All parishioners (whether attending Church or not) are invited.

It is part of the process of planning the Diocesan Pastoral Plan for the future and address how we can work together as a faith community, to spread the Gospel and face the challenges in our modern society.

Approximately 40 people attended the Synodal gatherings and it was a very helpful and insightful experience.

Please think about attending We need your Wisdom, Experience and insight, young, old and in between.

We live in a very busy and active society and family and work commitments take up most of our time. Please find time to join the Parish Gathering. I am often encouraged by the words of Jesus 'Where two or three are gathered in my name, I am present'

Perhaps we can do better than that.

Members of the PPC will speak at Mass next weekend to explain the importance of this Parish Gathering.

Building Hope Week will take place from **29<sup>th</sup> May to 6<sup>th</sup> June.**
