### OUR ANNUAL REMEMBRANCE MASS

for all deceased parishioners will take place on **Monday 11th November at 7.30pm** Invitations have been sent out to all families whose relatives died during the past year and their funerals took place in our parish.

We invite everybody who has had a bereavement to come along and celebrate this Mass, in memory of their deceased relative or friend.

All of us have, no doubt, experienced bereavement in the loss of a family member, neighbour or friend. It may have been recently or a long time ago, you are also invited to attend and light a candle for a deceased loved one

### TREE OF REMEMBRANCE

November is traditionally the month when we pray for and remember the deceased.

During this month, we have our

Tree of Remembrance in place.

We invite you to write the names of your deceased loved ones on the leaf cards and hang them on the tree.

### SHARE APPEAL SUNDAY

The second collection at Mass on weekends is known as the Share collection.

It is the Diocesan Development Fund. It is used to support parishes in need and to develop the Pastoral Mission and Service of the Archdiocese.

Thank you for your support. Please continue to contribute to the collection and increase it if possible. **Copies of the Share Newsletter are available at the Main door of the Church**

### FUNERAL MINISTRY

Funerals are very sacred and sorrowful events and many bereaved people appreciate the Requiem Mass and the support of the parish faith community.

We are hoping to set up a Parish Funeral Ministry Team

Their role is to assist at the Funeral Mass and provide support to the bereaved.

A team of two or three parishioners with the priest would plan and organise the Funeral Liturgy.

If you are interested and need more information please contact Fr Larry or leave your name with the Parish Office

### ALTAR LIST OF THE DEAD

Envelopes and forms for the Altar List of the Dead are available at the doors of the Church.

Please fill in the names of your deceased relatives and friends and drop it into the parish office. All names will be included in the Mass on the 1st

### BIODIVERSITY

The following three activities would make a difference in your own homes and gardens: Grow a native tree or shrub such as birch, guelder rose or hawthorn.

Avoid using tap water to water plants, use rain water collected from gutters so leaving good quality water in the lakes and rivers to be used by the animals and plants which rely on it.

Leave a wild patch in your garden, with no mowing or chemical usage to feed pollinators, insects and invertebrates and ultimately birds.

If you are interested in participating in the biodiversity group contact Parish Office or email stantppc@gmail.com
